BOARD OF PUBLIC WORKS AND SAFETY

Regular Meeting October 14, 2014

The regular meeting of the Board of Public Works and Safety of the City of Shelbyville, Indiana, was held in the Common Council Chambers of City Hall on Tuesday, October 14, 2014 at 8:30 A.M. All members were present and Mayor DeBaun presided.

Mr. Williams moved to approve the minutes of the previous meeting held on October 6, 2014, and Mr. Finkel seconded. The motion was carried on a 3-0 voice vote.

Mr. Finkel moved to approve the claims as presented, and Mr. Williams seconded. The motion was carried on a 3-0 voice vote.

Under old business, the dog bite case previously presented at last week's meeting was presented again for recommendation. The dog was visited by Mr. Finkel and Mayor DeBaun at the Animal Shelter. The dog seemed to be friendly and non-combative. The home was also visited by Mr. Finkel and Keith Barrett, Animal Control Director. The owners of Zeus had put additional fencing in the back yard and also put a wooden gate on their front porch in case he gets out again. He will not be able to get off the porch. There were a few minor details to finish yet. Mayor DeBaun recommended that Zeus be released to his owners after their fencing is complete. David Finkel made a motion to release the dog after certain conditions were met and Bob Williams seconded. This was approved with a vote of 3-0.

Next, Citizen Brett Sturgill, appeared to explain RAK (random acts of kindness). Emily Grace was a child stricken at an early age on October 15th, 2005. Her mother decided that instead of mourning her daughter, she would remember her with random acts of kindness to other people. This has been a community act of paying it forward. Mr. Finkel felt this was a great way to build community.

Mr. Finkel said the Open House at Fire Station number 1 on October 11 was a great success.

There being no further business, Mr. Williams moved to adjourn.

Thomas D. DeBaun
Mayor
