The regular meeting of the Board of Public Works and Safety of the City of Shelbyville, Indiana, was held in the Council Chambers of City Hall on Monday, March 2, 2015, at 5:31 P.M. Mr. Williams was absent, and Mayor DeBaun presided.

Mr. Finkel moved to approve the minutes of the previous meeting held on February 24, 2015, and Mayor DeBaun seconded. The motion was carried on a 2-0 voice vote.

Mr. Finkel moved to approve the claims as presented, and Mayor DeBaun seconded. The motion was carried on a 2-0 voice vote.

There was no old business.

Under new business, Mayor DeBaun said he had a request from Police Chief Keith England to approve Standard Operating Procedures (SOP's) 1 through 16. Chief England said the SOP's made it back through approval of the verified changes, so he would like to have them approved so they can be started. Mr. Finkel said he wanted to compliment the Department on the hard work that they've put forth on these SOP's. He said he's had the good fortune, along with the members of the Board of Works and the City Attorney to thoroughly go over the SOP's, and it's tremendous the step forward they've taken. Mr. Finkel moved to approve the SOP's from 1 through 16, and Mayor DeBaun seconded. The motion was carried on a 2-0 voice vote.

Mr. Finkel wanted it known that he wanted to compliment the Street Department for all they did with all of the snow that fell over the weekend, and Mayor DeBaun said he'll compliment Storm Water Superintendent Derrick Byers in advance of all the rains falling tomorrow.

On a serious note, Mayor DeBaun said he wanted to extend the City's condolences to Rob Springer for his father, who passed away unexpectedly on Saturday. A funeral was held today for Redevelopment Commission member Phil Haehl's mother, and Board member Bob William's brother-in-law, and police officer Chuck Curry's father passed away last week. Mayor DeBaun asked to keep all of them in their thoughts.

There being no further business, Mr. Finkel moved to adjourn.

Thomas D. DeBaun
Mayor
