BOARD OF PUBLIC WORKS AND SAFETY

Regular Meeting April 14, 2015

The regular meeting of the Board of Public Works and Safety of the City of Shelbyville, Indiana, was held in the Council Chambers of City Hall on Tuesday, April 14, 2015, at 8:36 A.M. All members were present, and Mayor DeBaun presided.

Mr. Finkel moved to approve the minutes of the previous meeting held on April 6, 2015, and Mayor DeBaun seconded. The motion was carried on a 2-0-1 voice vote, with Mr. Williams abstaining.

Mr. Williams moved to approve the claims as presented, and Mr. Finkel seconded. The motion was carried on a 3-0 voice vote.

There was no old business.

Under new business, Mayor DeBaun said there was a request from the Police Department to approve SOP 69 and the preface page. Police Chief Keith England said this would bring the SOP's approved from 1 through 69, along with the preface page. If approved by the Board, this would supersede any old rules and regulations or general order. He said it would tie the package up. Mr. Finkel said after the SOP's are approved, there will be a secondary review just to make sure nothing was missed. Mayor DeBaun said there will be feedback from the Department, and Chief England said they're receiving feedback now from the Officers. He said he is conducting training later this week on all of the new policies with all of the Department members, and they'll work on cleaning up all the typos. Mr. Finkel moved to approve SOP 69 and the preface page, and Mr. Williams seconded. The motion was carried on a 3-0 voice vote.

Building and Plan Commission Director Dann Bird said someone from the Knights of Columbus was supposed to be here this morning to promote an upcoming circus, but since they weren't, he said he'd indicate what they want to do. Dann said they want to locate appropriate size signs at three locations: at the end of E. Mechanic St. and Vine; Progress Rd. and the vicinity of St. Rd. 9; and E. Broadway and E. Hendricks St. Dann felt if the signs weren't approved today, they wouldn't be approved until the 21st, and he didn't think that was the intent. Dann asked the Board to approve the signs, and he would oversee where the signs are placed. Mr. Williams moved to approve the request, and Mr. Finkel seconded. The motion was carried on a 3-0 voice vote.

Mayor DeBaun wanted to thank Storm Water Superintendent Derrick Byers for actually throwing trash during the heavy pick-up time.

Over the weekend, Mayor DeBaun said a spring clean-up was held for the Solid Waste District, which will now be called the Shelby County Recycling District. Also, 31 tree plantings were done and organized by Derrick at Blue River Memorial Park. Mayor DeBaun said a lot of help came from Fellowship of Christian Athletes, and he thinks the planted trees are going to make a great difference. He also wanted to thank everyone else who helped last Saturday.

There being no further business, Mr. Williams moved to adjourn.

Thomas D. DeBaun
Mayor
