BOARD OF PUBLIC WORKS AND SAFETY

Regular Meeting August 18, 2015

The regular meeting of the Board of Public Works and Safety of the City of Shelbyville, Indiana, was held in the Council Chambers of City Hall on Tuesday, August 18, 2015, at 8:30 A.M. All members were present, and Mayor DeBaun presided.

Mr. Williams moved to approve the minutes of the previous meeting held on August 11, 2015, and Mr. Finkel seconded. The motion was carried on a 3-0 voice vote.

Mr. Finkel moved to approve the claims as presented, and Mr. Williams seconded. The motion was carried on a 3-0 voice vote.

Under old business, Mayor DeBaun talked about the dog named Cedar, which was removed last year from Shelby County and taken in by Kelli Stropes and the Bright Hope Dog Training business. The Board said if the dog was adopted by someone, they couldn't live in a contiguous county of Shelby County. Kelli wrote in a letter that Cedar has not shown any signs of aggression since they picked her up and they have found someone who would like to adopt her. However, the owner lives in Johnson County, which is contiguous to Shelby County, so Kelli is asking if the Board would amend their agreement to allow the placement of the dog in Franklin. Mr. Finkel moved to approve allowing the dog to live in Franklin, and Mr. Williams seconded. The motion was carried on a 3-0 voice vote.

Under new business, Mayor DeBaun said he had a request from the central Indiana Porsche Club, saying they will be in town on Saturday September 5, between 8:00 and 10:30 A.M., for an event at 18 On The Square. The Mayor said they are asking to block off the exterior spots so they can park for a group photograph. Mr. Williams moved to allow the request and welcome them to Shelbyville. Mr. Finkel seconded. The motion was carried on a 3-0 voice vote.

Under other business, Mr. Williams said this was his last year on the Festival Committee. He wanted to thank the City and its Department Heads and their employees, because without them, it wouldn't be possible. He wanted to thank the Mayor for his help over the years, and Street Commissioner Jennifer Jones and her Department for the outstanding job of getting out the no parking signs, and other things. He appreciated all everyone did. Mayor DeBaun said he heard the same thing from others at yesterday's Council meeting about the good job the Street Department did.

There being no further business, Mr. Williams moved to adjourn.

Thomas D. DeBaun
Mayor
