BOARD OF PUBLIC WORKS AND SAFETY

Regular Meeting January 12, 2016

The regular meeting of the Board of Public Works and Safety of the City of Shelbyville, Indiana, was held in the Council Chambers of City Hall on Tuesday, January 12, 2016, at 8:32 A.M. All members were present, and Mayor DeBaun presided.

Mr. Williams moved to approve the minutes of the previous meeting held on January 5, 2015, and Mr. Finkel seconded. The motion was carried on a 3-0 voice vote.

Mr. Finkel moved to approve the claims as presented, and Mr. Williams seconded. The motion was carried on a 3-0 voice vote.

There was no old business.

Under new business, Wastewater Resource Recovery Facility Superintendent Brad Fix said he had a letter from Barbara Baumgartner requesting permission to have SCUFFY roadblocks at two locations on April 30. They were at Harrison and Mechanic Street, and Progress Parkway by the Wal-Mart. Mayor DeBaun wanted to make sure those involved had proper and appropriate safety wear for that day. Mr. Williams moved to approve the request, and Mr. Finkel seconded. The motion was carried on a 3-0 voice vote.

Street Commissioner Jennifer Jones said there will not be any trash pickup on Monday, January 18, because of Martin Luther King Day. Monday's trash will be picked up on Tuesday, along with Tuesday's normal trash pickup. Mayor DeBaun thanked Jennifer and her staff for doing their work in this first round of winter snow and ice, and appreciated what they have done.

Brad Fix wanted to update the news media about the McKay Road project that was originally slated to be done late December, before school started in early January. He said it is still on hold, and they're pumping water out of there, waiting for the water table to go down so they can get in there and dig. A pump will be used to keep the water table low, and he'll let the public know when they can start the project.

Mayor DeBaun noted that the Board had received a filing for disannexation of a property at 247 W. Boggstown Road, and there will be a public hearing held on this on January 26.

Mr. Finkel noted that Shelby Days would be held again later this year.

There being no further business, Mr. Williams moved to adjourn.

Thomas D. DeBaun
Mayor
