The regular meeting of the Board of Public Works and Safety of the City of Shelbyville, Indiana, was held in the Council Chambers of City Hall on Tuesday, February 16, 2016, at 8:34 A.M. All members were present, and Mayor DeBaun presided.

Mr. Williams moved to approve the minutes of the previous meeting held on February 9, 2016, and Mr. Finkel seconded. The motion was carried on a 3-0 voice vote.

Mr. Finkel moved to approve the claims as presented, and Mr. Williams seconded. The motion was carried on a 3-0 voice vote.

There was no old business.

Under new business, Mayor DeBaun said there was a dog bite case occurring at 230 W. Taylor Street, Apartment 1, and reported by an Elizabeth Bailey. Corey Westfall came to the microphone saying the dog was his, but it was under her name because the Animal Shelter needed a name on their paper work. The dog is actually a Mexican wolf, and Elizabeth met a family that had the wolf, saying it was abused, so she took it in when it was a puppy. The wolf bit another dog of Corey's because it was excited because five police officers were already in the house. The wolf, named Carter, is in the Animal Shelter being quarantined. Carter has had all of his shots, and he's been neutered, according to Corey. City Attorney Trent Meltzer said the wolf needed to be quarantined if it bit another animal. Mayor DeBaun felt the dog should be quarantined at its home for the remainder of the ten day period. The bite case occurred on February 11. Mr. Williams moved to release the wolf from the Animal Shelter and have it quarantined at home for the next five days, with no further action being taken. Mr. Finkel seconded. The motion was carried on a 3-0 voice vote.

City Engineer Matt House came forward to ask the Board's approval of a supplemental agreement between the City and Butler, Fairman & Seufert, Inc. for the Blue River Trail project. The additional design services total $38,000.00, and will increase the original amount signed in 2014 to $373,560.00. Mr. Finkel moved to approve and increase the change order, and Mr. Williams seconded. The motion was carried on a 3-0 voice vote.

There being no further business, Mr. Williams moved to adjourn.
