SHELBYVILLE PUBLIC UTILITY BOARD

Regular Meeting September 15, 2015

The regular meeting of the Public Utility Board of the City of Shelbyville, Indiana, was held in the Common Council Chambers of City Hall on Tuesday, September 15, 2015, at 8:29 A.M. All members were present, and Mayor DeBaun presided.

Mr. Williams moved to approve the minutes of the previous meeting on August 3, 2015, and Mr. Finkel seconded. There was no public comment. The motion was carried on a 3-0 voice vote.

There was no old business.

Under new business, Mayor DeBaun said Ashford Place had a request to allow them to forego the requirement for a grease trap on their café area because it is not going to be used for preparing or warming food. Their main kitchen in the back does have a compliant grease trap. The new structure will be a clubhouse which will not require a commercial kitchen. Mr. Finkel moved to approve not needing a grease trap, and Mr. Williams seconded. The motion was carried on a 3-0 voice vote.

There being no further business, Mr. Finkel moved to adjourn the Utility Board meeting.

Thomas DeBaun
