SHELBYVILLE PUBLIC UTILITY BOARD

Regular Meeting August 2, 2016

The regular meeting of the Public Utility Board of the City of Shelbyville, Indiana, was held in the Common Council Chambers of City Hall on Tuesday, August 2, 2016, at 8:30 A.M. All members were present, and Mayor DeBaun presided.

Mr. Williams moved to approve the minutes of the previous meeting on July 26, 2016, and Mr. Finkel seconded. There was no public comment. The motion was carried on a 3-0 voice vote.

Under old business, Michael Hall, from 203 Fountain Lake Drive South, returned today to hear the procedure Indiana American Water uses in shutting someone's water off, and then turning it back on. Mayor DeBaun said the Board had received Mr. Hall's payment history for the past year. Nothing was found to be in error, so Mr. Finkel moved to take no further action, and Mr. Williams seconded. The motion was carried on a 3-0 voice vote that Mr. Hall still owed his $65.00 bill.

Under new business, WRRF Superintendent Brad Fix said he had a contract to be signed by the Utility Board. It extends sewers from the present location in front of Bigfoot, on E. St. Rd. 44, to the Krone property, where Butler, Fairman, and Seufert will design the sewer project. It also contains a request for bids, with the cost not to exceed $23,500.00, with a part-time inspection service not to exceed $17,000.00. Mr. Finkel moved to approve the request, and Mr. Williams seconded. The motion was carried on a 3-0 voice vote.

There being no further business, Mr. Williams moved to adjourn the Utility Board meeting,

Thomas D. DeBaun
Mayor

ATTEST:

Frank M. Zerr
Clerk-Treasurer
