# Agriculture/Rural Residential (AR) District

## 2.05 AR District Intent, Permitted Uses, and Special Exception Uses

Intent	Permitted Uses	Special Exception Uses
<p>The Agriculture/Rural Residential (AR) District is intended to provide areas for a mixture of agricultural and residential land uses. # Business Central (BC) District

## 2.19 BC District Intent, Permitted Uses, and Special Exception Uses

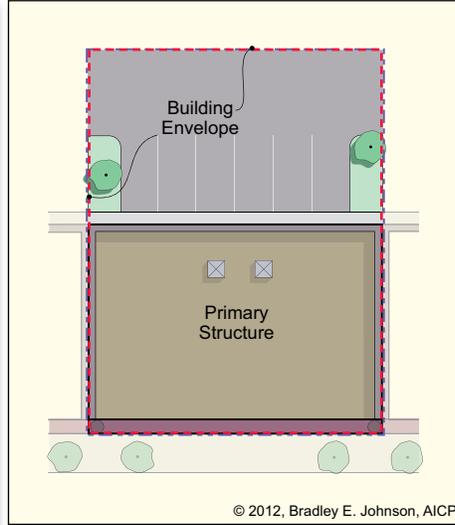

Intent	Permitted Uses	Special Exception Uses
<p>The Business Central (BC) District is intended to provide areas for the combination of land uses common to traditional central business districts. This zoning district is intended to accommodate the current uses and structures within Shelbyville's traditional downtown and permit the continued, contextually appropriate development of the area. Shelbyville should use this zoning district to protect the existing downtown area and its historic structures from incompatible uses and inappropriate site designs.
