

SHELBYVILLE PUBLIC UTILITY BOARD

Regular Meeting

February 26, 2013

The regular meeting of the Public Utility Board of the City of Shelbyville, Indiana, was held in the Common Council Chambers of City Hall on Tuesday, February 26, 2013, at 8:28 A.M. All members were present and Mayor DeBaun presided.

Mr. Finkel moved to approve the minutes of the previous meeting February 19, 2013, and Mayor DeBaun seconded. There was no public comment. The motion was carried on a 2-0-1 voice vote, with Mr. Williams abstaining.

There was no old business.

Under new business, Wastewater Treatment Plant Superintendent Brad Fix requested permission to advertise for a request for proposals (RFP) for land application of biosolids for two five-year periods. The present contract will be expiring once the RFP's have been opened, which Brad wanted opened on April 2, 2013. He said the WWTP has been with the same company for the last 19-20 years, and he's not unhappy with them, but he wants to get proposals from other companies. There being no further discussion, the motion was carried on a 3-0 voice vote.

There being no further business, Mr. Williams moved to adjourn, and Mr. Finkel seconded.

Thomas D. DeBaun
Mayor
