Hello,

My husband and I live in Twin Lakes estates. We've been made aware of another dollar general potentially being built in our neighborhood. We wanted to reach out in hopes this will be reconsidered. We are in fear of the crime this would bring to our neighborhood. There are apartments within in walking distance to our neighborhood off of Amos. If this was to be built, our neighborhood would become that path for people to access the store by car or by foot. We are also concerned from a safety standpoint. More traffic and people increases the likelihood of an accident when walking or riding a bike in our quiet neighborhood. Another concern is how this store would negatively impact our property value. This is our first home and we've worked hard to get it.

Please don't allow another dollar general in our town. We have enough.

A better goal would be to stock our current stores as they're always lacking.

Sincerely,

Adrian & Jarod Grimme (lot #61)
